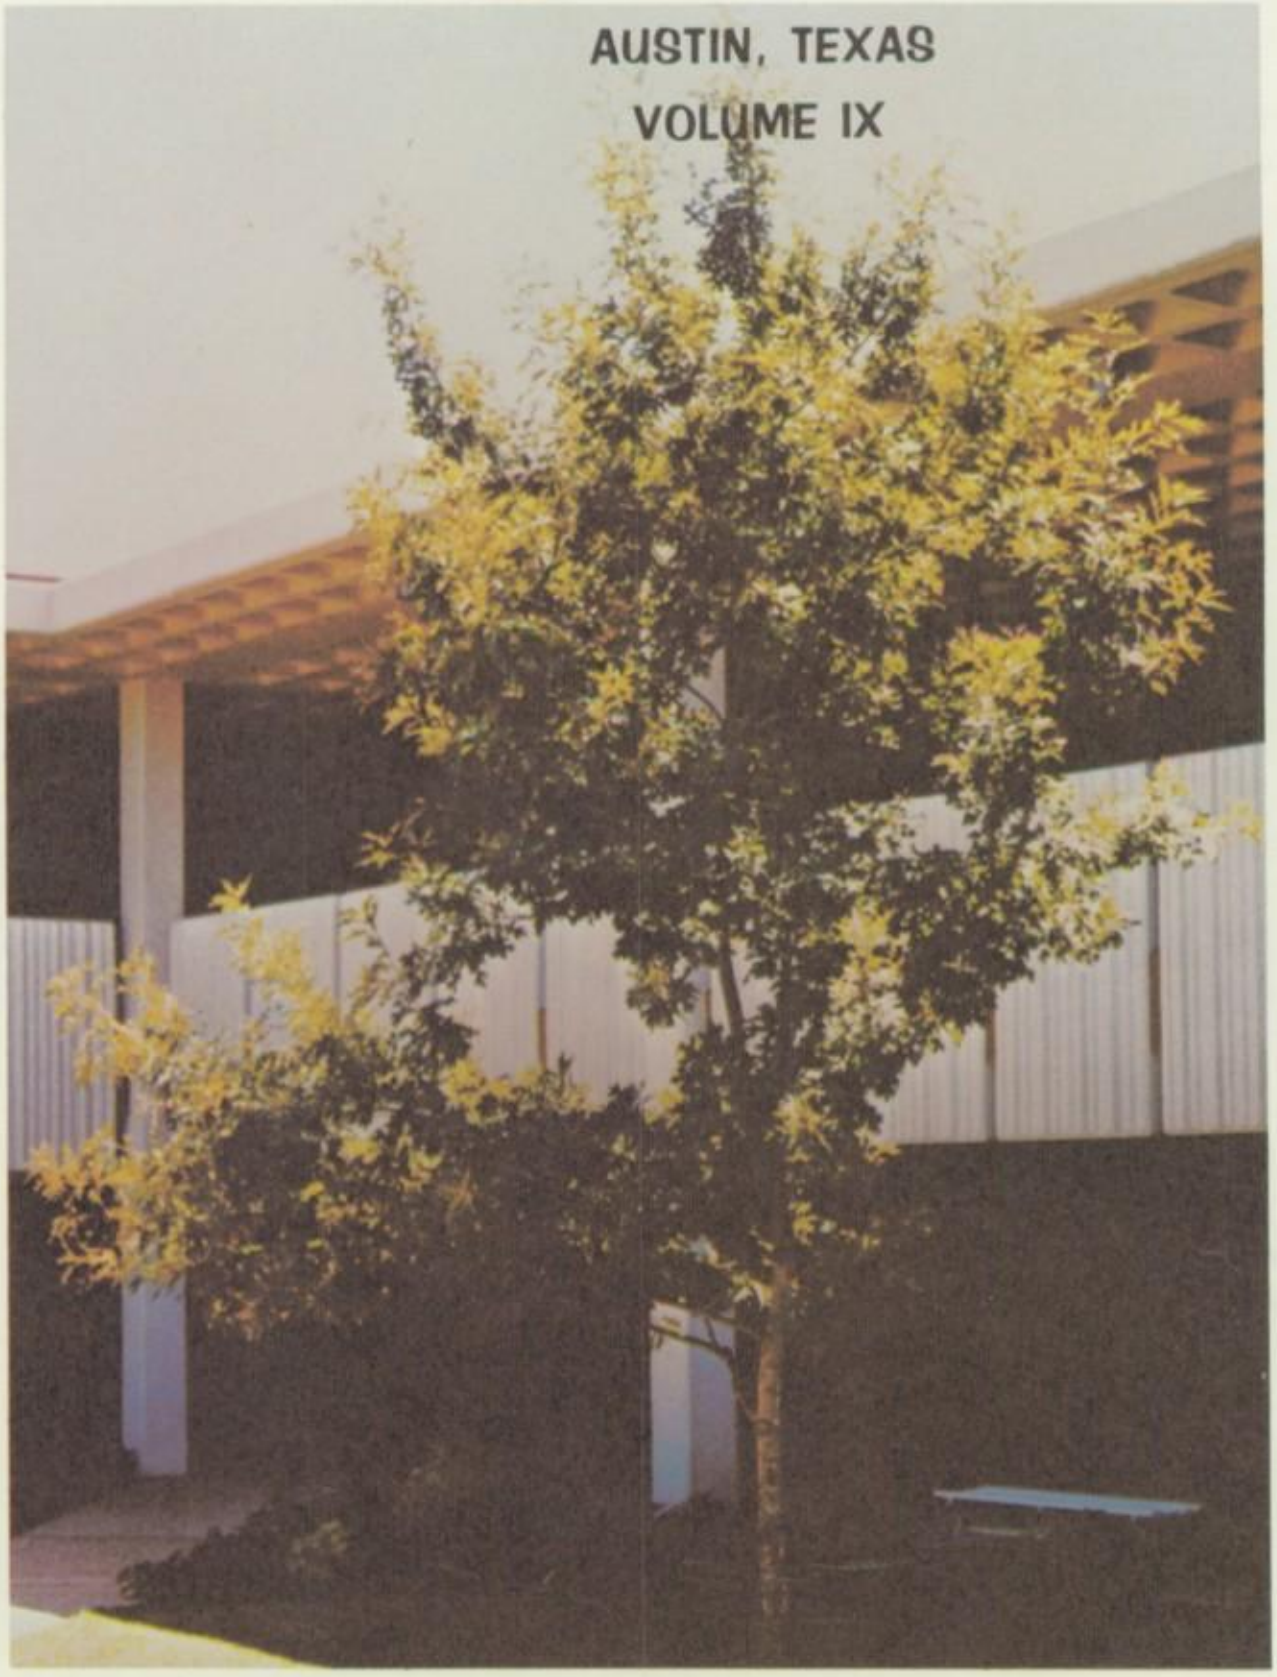
LANIER HIGH SCHOOL

AUSTIN, TEXAS

VOLUME IX



Nine years have brought many changes at Lanier ... from empty rooms to overflowing classes ... from 1200 students to over 2,000 ... from open fields to a populated area ... from dirt roads to paved ones ...

The first tree in the courtyard symbolized the putting down of roots, of growth and maturity. The tree also symbolizes the change of seasons and of activities. Summer, fall, winter, and spring bring a different part of Lanier's activities to each of its students.

Yes, the tree is a symbol of Lanier life ... it grows only if it is nurtured and cared for ...

French Club

Another fall project concerned the school carnival where casse-tetes and French doughnuts were sold by club members. A French casino and can-can girls also brought a lively atmosphere of France to the carnival.

Christmas was a time of caroling and parties for the French Club. The club entertained three local rest homes with Christmas carols and with lively festivities. At the banquet in January, members bade farewell to Mrs. Niehaus and welcomed Mrs. Benaiteau as sponsor. One of the final spring projects was the sale of Valentine candy in February. The club's many projects added to the success of the year.

Pan Am

The highlight of this year for Pan Am Club members was the 1970 P.A.S.F. Convention held in Austin. Members worked all year trying to accumulate enough points to go to convention.

In the fall, the club was responsible for selling nachos at the school carnival. They also had a pinata which added to the festivity of the carnival. For Valentine's Day, the club sold Val-a-grams to help them raise money. The year ended with elections for next year's officers.

German Club

The German Club started the year off with a trip to the New Braunfels Wurst Fest. German food, music, and atmosphere added to the general liveliness of the festival. One of the club's fall projects concerned the making of pine cone wreaths to sell at the school carnival. Money from these Christmas wreaths was later used to help pay for convention.

One of the high points for German Club members was the T.A.G.S. Convention held in San Antonio. Thirty-six students went and successfully put on the play "Peter and the Wolf," complete with costumes and German dialogue. Also, many picnics were held in the spring. In late May, officer elections for next year were held.

National Honor Society is an organization based on service, leadership, character, and scholastic average. On April 2 and April 3, the senior and junior classes met in the cafeteria for "tapping" ceremonies. Bo Garner, this year's president, and last year's members were in charge of the meetings.

After short speeches were made and the four traditional candles were lit, tapping began. Thirty-five seniors and twenty-three juniors met requirements, and were initiated into the society. A banquet was later held at the home of Mrs. Turk, NHS sponsor.

Key Club

The Key Club is a service organization for high school boys sponsored by and patterned after the Kiwanis Club. The Key Club covers all areas of service: the school, the community, the world at large, and the Key Club member himself.

Its main purpose is to help its members to become active and useful citizens through participation in service projects and association with the leaders of today and tomorrow. This purpose is best achieved if the club maintains a good balance of boys exemplifying all facets of school life, from the band, to the National Honor Society, to the football team. Lanier has maintained such a club this year, and looks forward to an even more prosperous one next year.

Future Teachers of America

The Future Teachers with the leadership of Mrs. Kulvicki and Mrs. Boren, experienced a busy and gratifying year. The Viking Bookshop is run by FTA and was greatly appreciated by teachers and students alike. Several members attended the Distict Convention at Taylor last November. The group celebrated Christmas at Diane Profitt's and had a good time stuffing themselves and exchanging gag gifts.

This spring, many of the members visited Woolridge Elementary to observe classes and even to try their hand at teaching. Mrs. McMillan, a former sponsor, spoke at the banquet about the qualities of a good teacher. Serving as president this year was Wayne Peterson. Also serving as officers were Ruth Ann Davis, Debra Wied, Laurie Teinert, Debra Nance, and Kathy Donaldson.

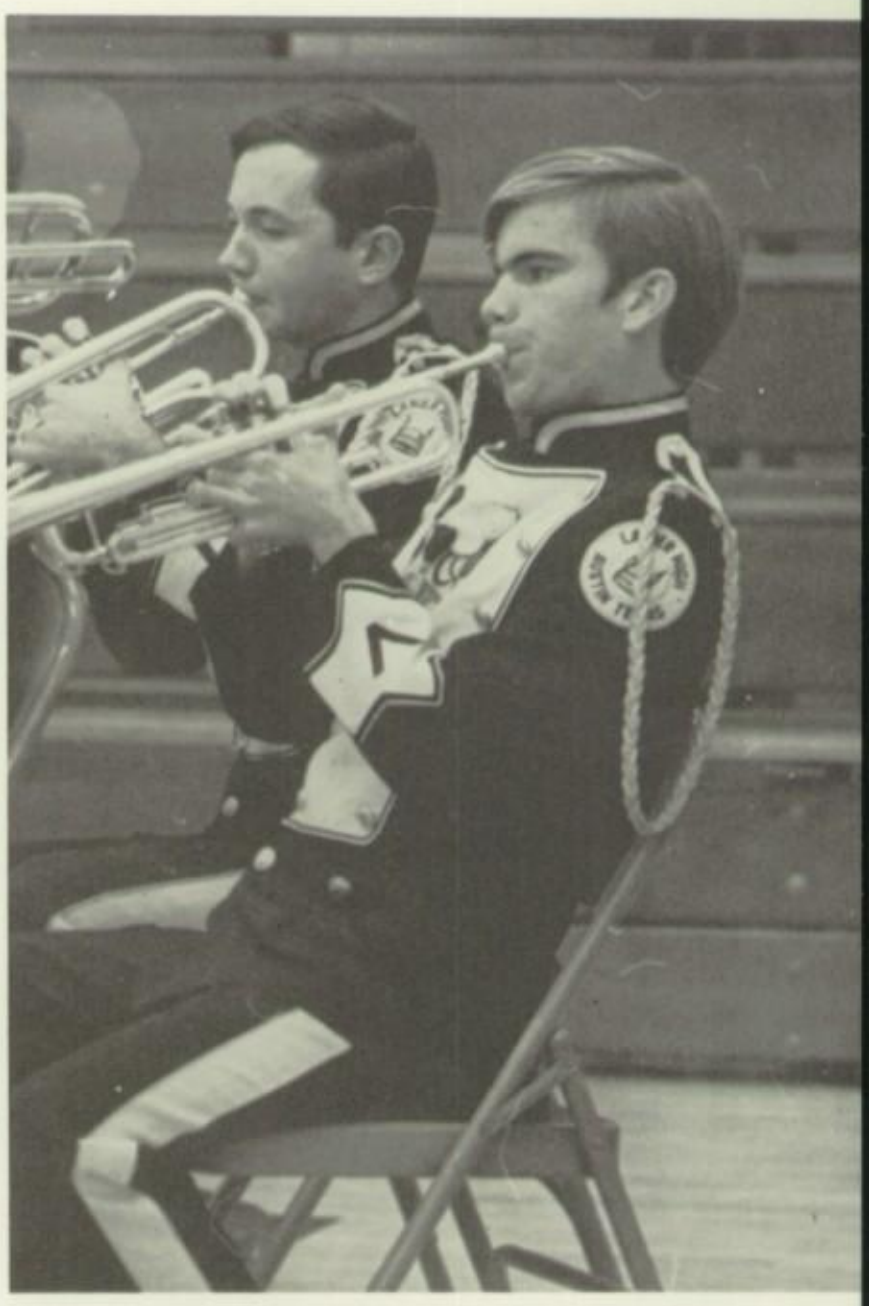
Viking Band



Throughout August, the Band marched to prepare for the football season. The half-time shows had a geometric flare this year which featured circles and triangles. In November, the Band participated in UIL Marching Contest, receiving a I rating. Then the Varsity and Freshman Bands played for the school's Christmas program. The annual Band Christmas dance was a huge success.

District, Region, Area, and All-State tryouts were held with four Band members making the All-State band. They were Guy Aldrich (freshman), Teri DeVane, Ron McDavid, and Mike Moss. UIL Solo and Ensemble Contest was a great victory for the two bands, with over 50% of the members receiving excellent or superior ratings. Both bands also practiced diligently for UIL Concert and Sight-reading Contest. In May, the two bands played at the PTA meeting and at the Festival Arts Program. The Band ended the year with a banquet, at which time the new officers were announced.

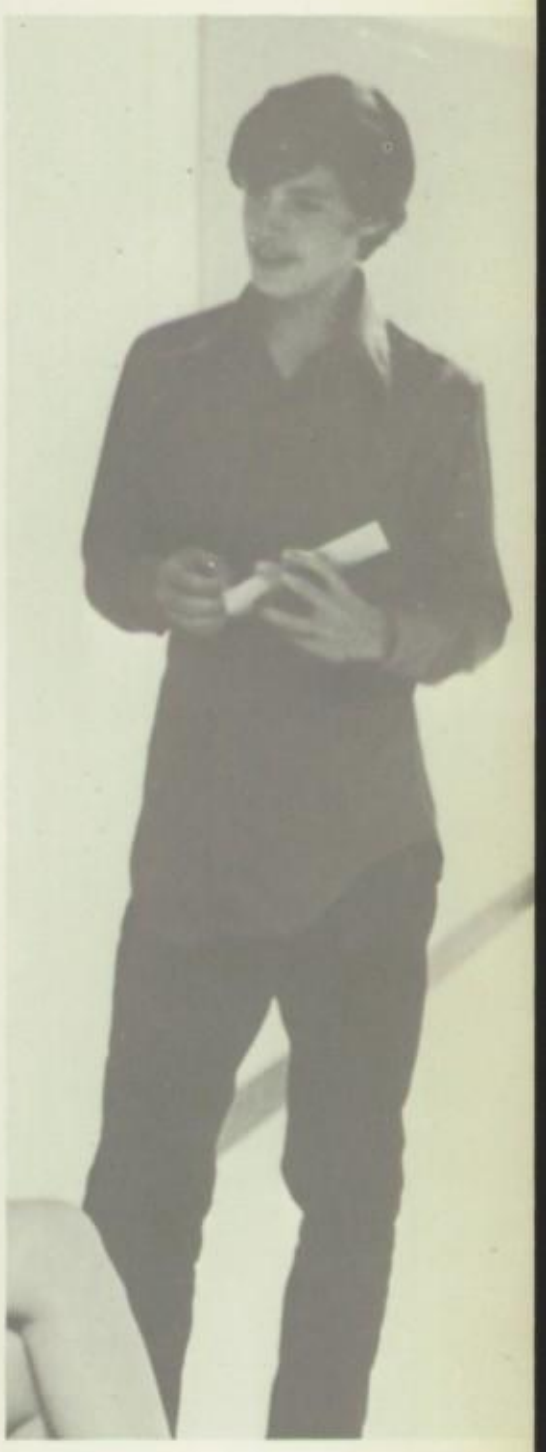
FACULTY

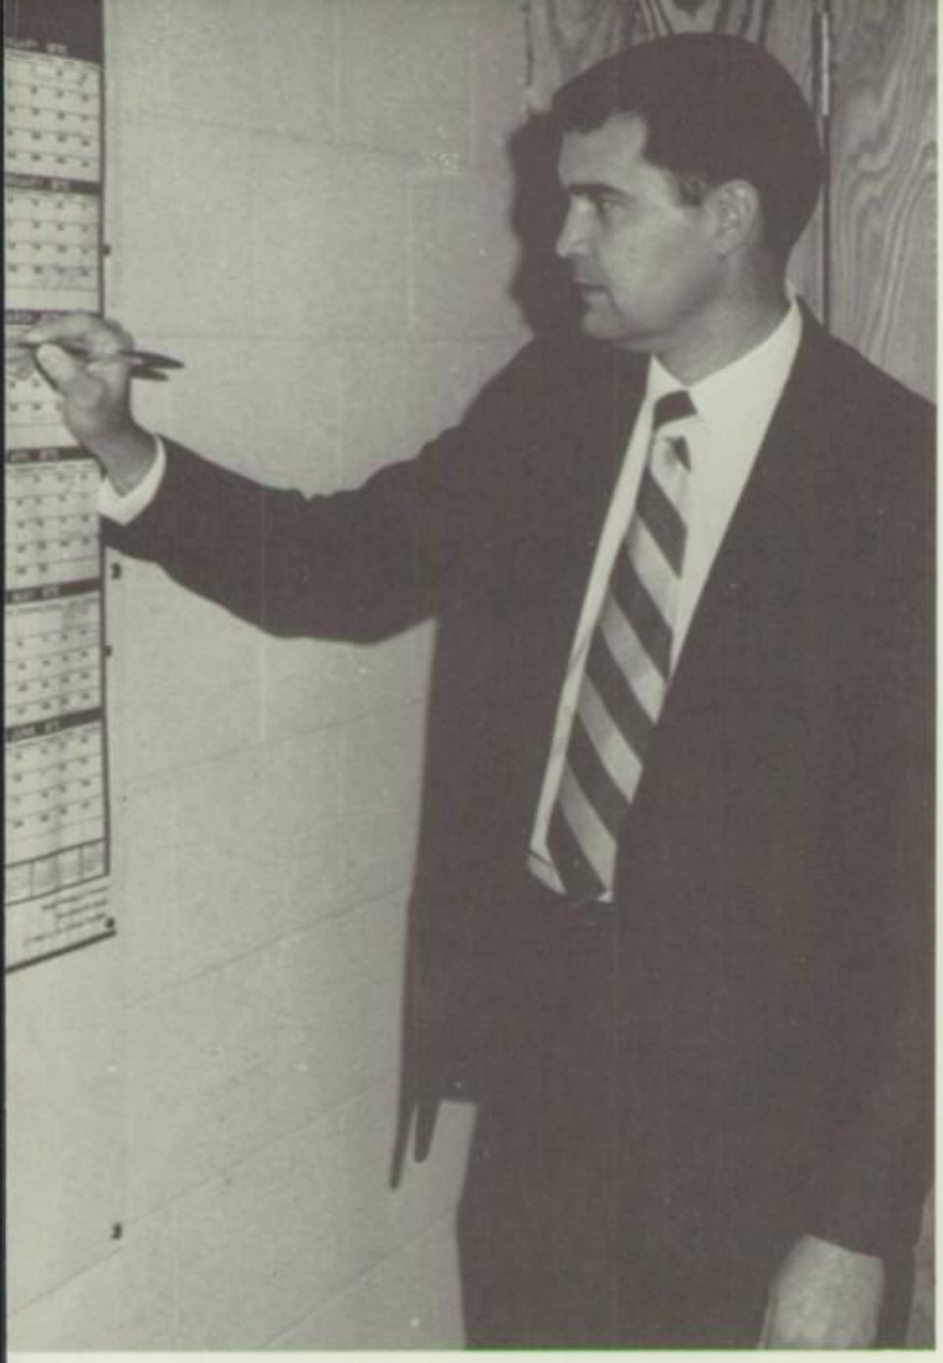


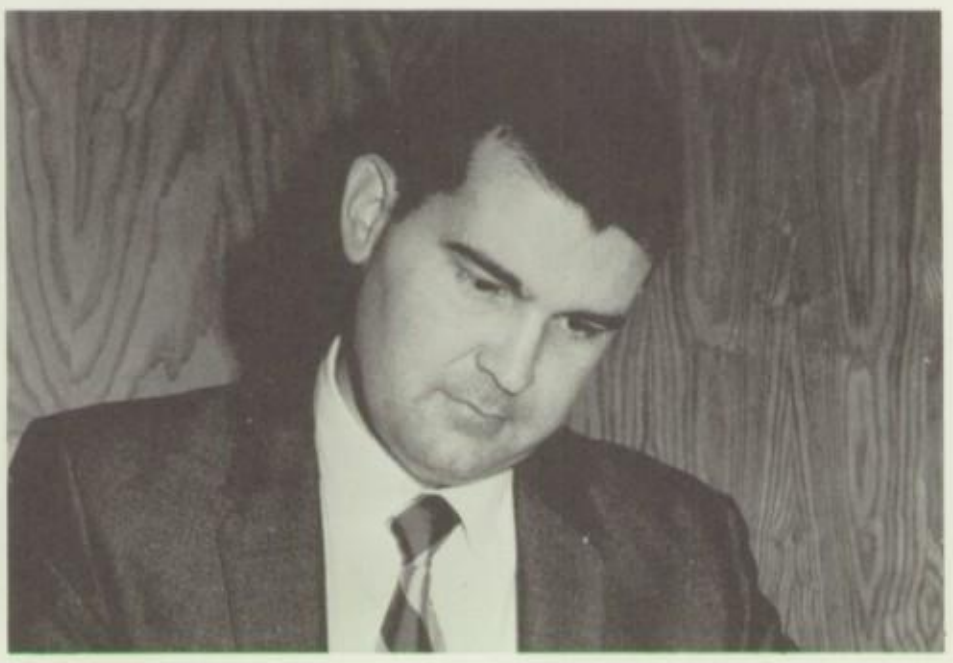
CLASSES

Administration Guides Students and Faculty

Under the leadership of Mr. Fred M. Matthys, Lanier completed the 1969-70 school year successfully. The many problems, both large and small, that accompany a large school were faced competently by our principal. With the assistance of Mr. Wade Kirk, Mr. Matthys assembled the master schedule for the year, counseled students, helped teachers, and actually held the school together. With their Viking spirit, these two men provided a stable foundation for the growth of Lanier High School.

Cautiously looking up, Mr. Matthys gives Sam Gainer a sign of faith and encouragement.





Left: Planning and following the school calendar is a necessary requirement for an organized system as Mr. Kirk well knows. **Right:** Mr. Kirk flashes one of his rare smiles at the camera. **Above:** Although many duties of the vice-principal are mundane, Mr. Kirk always completes them. **Left:** Speaking at the football banquet, Mr. Matthys encourages the team to work harder for success.

THE FRESHMAN CLASS

Lanier presented the Freshmen with a challenging life—that of being "lowest on the totem pole" instead of "on top." We participated in the various student council projects, pep rallies, sports and beauty contests. Though our achievements were relatively insignificant, we did step into the mainstream of Viking life.

Freshman Class Officers: Left to Right: John Raff, president; Patty Miller, reporter; Claire Krizov, vice president; Martha Mounce, secretary; Obie Moore, sergeant-at-arms.

Sally,
Well, just like everybody else has said it and I will too, CAN You Believe It! We have really had a lot of good times in the past and I am sure there are many more to come. Sally, you're the greatest! And I honestly mean that. You have been so good to me and I hope that you also feel the same. We have become better friends this last years, but I think today linked our friendship together forever. Because one thing about it there is nothing we haven't told each other and I think it is absolutely wonderful. We can be honest and frank with each other or else we can tease each and know that it is just showing our friendship and "love" for each other. And as you once said if we could not on each other as we do our friendship would not be the same. I could go on talking for pages saying the same thing and that is, that you're the greatest and I will always care for you and our freindship will alway stay the same or else grow closer. God Bless, as he already has, and will even more in the years to come.
